

EXTRA CREDIT OFFICE HOURS

NZ GORHAM

PROBLEM

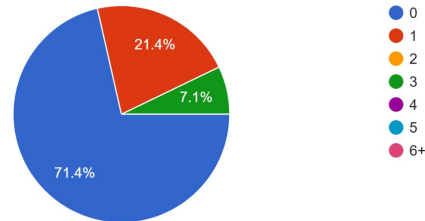

- Students are not showing up to Office Hours
- Students getting stressed out because they are on the edge of not passing, even though they're trying their best

OPPORTUNITY

"I do believe office hours are beneficial. You get the opportunity to ask specific questions pertaining to class content you personally are struggling with."

"I believe it is a great resource to have available for one on one time with your professors. It has helped tremendously."

How many times do you go to Office Hours per week?
14 responses

USER

- College Students
- Care about the class and want to pass

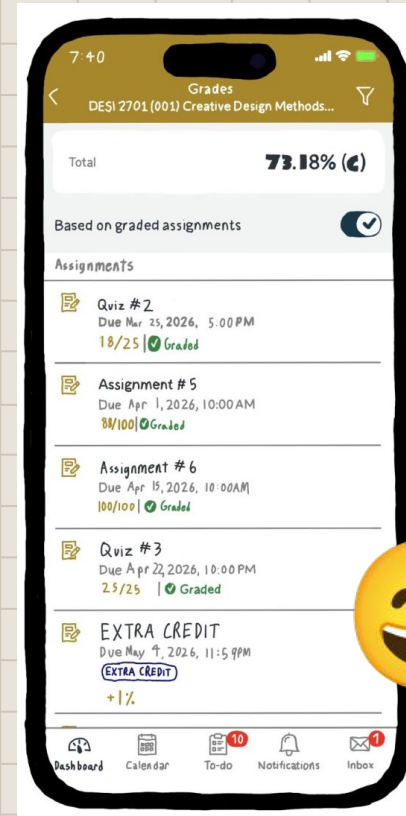

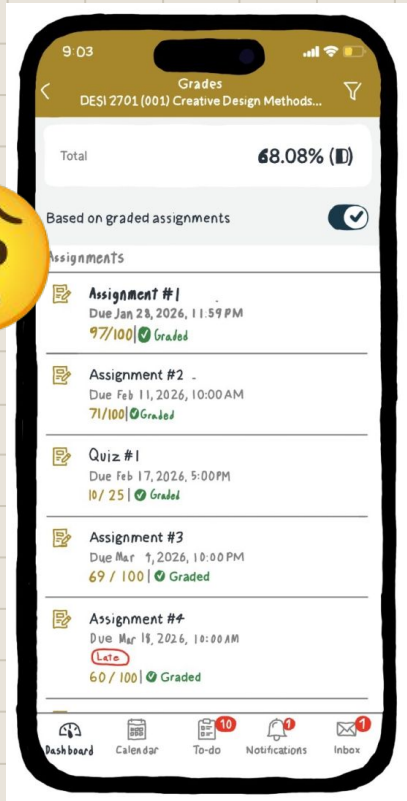

HMW PROBLEM

How Might We encourage more students to attend in-person Office Hours to get help because students getting in-person help is more effective and reduces stress?

EXTRA CREDIT OFFICE HOURS

NZ GORHAM

This is different from Professors giving students extra credit because not all professors do extra credit, even though they're trying their best.
